

MAJOR LEAGUE
— QUIZZING —

QUODIE

Players needed: 2+

OBJECT OF THE GAME

Quote verses correctly and be the first to circle the game board with your pawn.

ITEMS NEEDED

- Generic game board from any game with a dice and pawns (You can use 1 or 2 dice depending on how fast you want to move around the game board)
- Quiz book

GAME PLAY

Player one rolls the dice. He is given a verse to quote from the player next to him. If he quotes the verse correctly, he may move his pawn forward the number of spaces he rolled on the dice. If he quotes the verses incorrectly, he does not move. The next player rolls the dice and gameplay continues with each player taking a turn.

Rolling a 5: If a player rolls a five and quotes a verse correctly, they may move forward an extra two spaces. (For example, if a player rolls a 5, and quotes correctly they move 7 spaces). If a player quotes the verse incorrectly, they must move *backward* 5 spaces. You only move backwards on a 5.

WINNING THE GAME:

The player who moves their pawn around the entire board first wins.
